

Show your pallet of experience

When you do your best, our clients can operate at optimum productivity.

Arrive on time, present yourself professionally, take the initiative, keep commitments and solve problems. As a professional, you'll uphold industry ethics, know legal requirements and always act appropriately. On site, always follow safety procedures.

Your recruiter is a resource

Rely on your recruiter as a mentor. When you openly communicate about your experience on the job, you'll benefit from sound advice. Remember to approach temporary assignments with the goal of being hired.

Build your career with Renoir

- **Access unadvertised job openings** through our professional network.
- **Earn income** as a temporary while you plan your next career move.
- **Expand your experience** by applying your skills in different environments.
- **Avoid the hassles** of searching for jobs, sending resumes and calling employers.
- **Save valuable time** when Renoir's recruiters put you quickly to work.
- **Enjoy the flexibility** of a temporary assignment that allows personal balance.

"Renoir got me into a community where I'd been wanting to work."

"I started as a temp, then they hired me for another property. Six months later, I was promoted to manager!"

"Thank you for finding me work closer to home and at a better pay."

"The Fine Art of Real Estate Staffing"

**Today's
Answer to
Building
Careers**

"The Fine Art of Real Estate Staffing"

Use a real estate staffing expert

Qualified real estate professionals have relied on Renoir Staffing Services, Inc. since 1985, for temporary and direct hire positions that build their careers.

Introducing employees to opportunities, in appealing environments that suit their skills and ambitions, is the *"Fine Art of Real Estate Staffing."*

Your future is our focal point

Employees come to Renoir because of our reputation for placing candidates in commercial and residential property management positions that utilize their talents and meet their interests.

Whether you are seeking flexible temporary assignments or anticipating your next career move, Renoir has the resources, passion and industry knowledge to help you achieve your goals. Your recruiter will show you how to:

- Maximize your earning potential
- Identify advancement opportunities
- Select satisfying positions
- Locate convenient worksites
- Find an atmosphere where you excel

Paint your dream career

With recruiters who have worked in property management and human resources, candidates benefit from their practical advice and career guidance. You'll gain a distinct advantage using their industry knowledge to make your dreams come true.

Your portrait fits customers' needs

Our clients rely on Renoir to find qualified people, like you, who can quickly adapt to new situations and fill in when positions are open, or employees are on leave. Whether it is a temporary position or direct hire, they want skilled staff that match their requirements and can be productive immediately.

You'll find a spectrum of positions

- Manage property
- Process leases and loans
- Handle administrative tasks
- Produce financial reports
- Use real estate computer programs
- Conduct routine maintenance
- Coordinate special projects

You are the masterpiece

When you go through Renoir's in-depth pre-selection process, you know that you'll be among the most qualified candidates in the industry. The more we know about you, the more easily we can recommend positions that suit your career objectives.

Renoir employees are highly valued because they must pass rigorous qualifications to meet our customers' requirements:

- Two reference checks
- Criminal background search
- Real Estate skills assessment
- In-depth, in-person interview
- Skills testing as appropriate

You reflect Renoir's values

At Renoir Staffing, our core values are the focal point of our work. When you go to a customer site, you represent our commitment to consistently delivering the highest quality and upholding our values.
